

FATHERHOOD INITIATIVE

T.E.A.M. DAD

About the Program

T.E.A.M. DAD

Teaching, Empowering, Advocating, & Mentoring Dads

Providing education and support to fathers and father figures through group education and one-on-one support to help reduce racial disparities in infant and maternal mortality.

Areas of Focus:

- Individualized fatherhood support
- 12-week home visitation program designed to empower fathers to understand the benefits of their role in their child's life.
- Weekly fatherhood group

Discussion topics for both individualized and groups Include:

- How to prepare for birth
- Improving relationships & parenting skills
- Parenting knowledge
- Creating a positive attitude toward parenting

To learn more about the eligibility requirements for this program, contact a Fatherhood Engagement Coordinator at 772-269-2905.
